BE INSPIRED BY A UNIQUE EXPERIENCE

Fruitnet Tropicals Congress is back in June 2025, this time in Antwerp, one of Europe's leading gateways for avocados, mangoes, limes and other key tropical fruits.

The two-day conference and networking event (one day conference plus study tours) brings together key players from across the industry to explore the latest market opportunities in the tropical fruit category.

Plus it offers the ideal promotional platform for companies that supply products like avocados, bananas, mangoes, pineapples, and a whole range of other tropical and exotic fruits and vegetables.
